

It's not important who does the planting, or who does the watering. What's important is that God makes the seed grow.

**May 19, 2018 -
Conover Farmers Market
This is what Leadership looks like!**

Love says "What can I do for you?"
Today our market was blessed by six-year-old Joseph Hicks who gave away 80 free cold water bottles to our customers, vendors, and volunteers. He saved up his money and purchased the water himself and, at the end of the day, gave all his tips (\$15.00) to another charity organization, Hickory Greenway Harvest. Thank you, Joseph, for your kindness and sweet heart for others.

Our di'lishi fundraiser has ended! We want to thank Fran and the di'lishi staff for hosting us for these past few months. I would also like to say, 'thanks' to all those who tossed a spoon our way...you helped make this a very successful fundraiser!
